

Maternal Health Workforce Development Workgroup

Objective

Strengthen the maternal health workforce through cross-sector collaboration, capacity building, and enhanced training opportunities for healthcare providers and birth workers.

Strategies

Enhance training opportunities through Project ECHO sessions focusing on community-engaged approaches

Expand peer to peer birth worker support

Promote immersive, field-based maternal and child health education for emerging practitioners

Improve opportunities for clinical and community-based provider collaboration

Expand SIMCoach training to emergency personnel, non-birthing hospitals, community members, and family medicine providers
